The New England School of Metalwork, Metalsmithing Program; awards four scholarships annually, which are available through competitive application to those who are 16 years of age or older. Two are awarded in Bladesmithing and two in Blacksmithing. Applicants may only apply for one scholarship annually. Applicants are encouraged to be selective in their choice (when applicable) of workshop, indicating first and second choices. The scholarships are for one course and the associated cost such as registration and material fees. A dorm or travel allowance of 35% of course cost is a part of each scholarship. Please keep in mind that answers to the questions on the application form are an important part of the review process, the selection is merit based, not financial. Focused application responses and thoughtful discussion of one's plans and focus of the scholarship tend to be more favorably received.

Course request: Please indicate your first and second choice (when applicable) that best fit your course of study.

1. _____
2. _____

PLEASE ANSWER THE FOLLOWING QUESTIONS:

1. Why do you want to take the workshop you have chosen and what are your plans for the use of the knowledge and training from this class?
2. List your educational and/or work experience. While some workshops are open to all skill levels, others require specific skill-sets and proficiencies, you must meet the required skill level to apply for and be

awarded the chosen course. Please outline your qualifications for any specialized classes you are applying for. You may also attach a resume.

3. What you hope to gain from your time at the New England School of Metalwork? How is your selection relevant to your goals?; any other information that you feel would be pertinent to our consideration of you for this scholarship.
